

Smart Fun Camp - Math Made Fun

Smart Fun Camp Directors are highly qualified and experienced New Jersey State Certified Elementary Teachers with over 10 years of teaching experience.

WHO: Math Camp is open to **students entering grades K-3** in September 2023.

WHAT: Mastery of facts and fundamentals are imperative to becoming successful in math. Our camp focuses on building math skills through exciting games, centers, songs, crafts, and teaching strategies to gain confidence and build on essential skills for a smooth transition back to school. Grade level math facts, word problems, time, money and fractions are some of the areas that will be covered. All activities will be done in grade and achievement level small groups.

Math Camp will focus on the following skill development:

- Grade level math facts including addition, subtraction, multiplication and division
- Word problems
- Time, money and fractions
- Comparing numbers: greater than, less than
- Place value
- Mental Math strategies

WHERE: The West Caldwell Civic Center, corner of Clinton Road and Bloomfield Ave

WHEN: August 7-11, 2023 (9:00 - 12:00 pm)

CAMP FEE - \$210.00

Camp is limited to 20 participants, register early at the Recreation office, 30 Clinton Road, West Caldwell or Online <https://register.communitypass.net/westcaldwell>. For more info - 973-226-3621 Registration Deadline - When camp is full. NO REFUNDS
