21 Clinton Road
West Caldwell, New Jersey 07006
(973) 226-4114

Dennis Capriglione
Chief of Police

FAX (973) 403-0836

The West Caldwell Police Department is committed to promoting diversity in our hiring and recruitment of personnel. It is important that a police department's officers reflect the population which they serve. Diversity and representation promotes harmony and cooperation between a police department and the community.

Our Program and Plan

2020 Census data reflects that females are underrepresented within our organization.

Lieutenant Leonard Santiago, a member of our recruitment committee has recently attended a recruiting and hiring diversity course which will assist in guiding our agency in future personnel recruitment efforts.

The West Caldwell Police Department will continue to ensure that female candidates receive a fair and equal opportunity to be employed. Females will be represented in any advertising or recruitment materials and will be actively sought in recruitment efforts.

We look forward to increasing diversity within the West Caldwell Police Department.
